Dear Parents and Guardians

1 November 2024

IMPORTANT NOTICE

1. We have had two incidents recently where parents have physically confronted learners on or around the school property. Please be aware that this is illegal and may result in charges of assault being brought against the offender. Should you have any concerns regarding a learner, please contact the school immediately to allow us to follow laid down procedures.
2. An increasing number of learners are purchasing food and drink items from vendors positioned close to the school. Due to the alarming increase in the number of food poisoning cases being recorded around the country, we encourage all our parents to please ensure that they rather pack a healthy lunch and juice for their children.

Your ongoing support is greatly appreciated.

Yours in education.
