GRADE R SCHOOL FEE POLICY: 2025

Grade R is an independent facility, managed by the School Governing Body.

- All new applications for Grade R placements will first be checked and verified by our Finance Department. Should it be determined that there are any arrears outstanding for current and/or previous years (which includes siblings attending Freeway Park Primary School who have the same or different surnames), the application will then be declined with immediate effect. **Only once these arrears are settled in full and there is still a placement available at the Grade R Facility, will the application be considered.**
- Once accepted, the following payment must be made for all new Grade R enrolments to secure the placement:
 - JANUARY FEE FOR 2025 R1 985.00
 - NOVEMBER FEE FOR 2025 R1 985.00
 - STATIONERY FOR 2025 R1 200.00

TOTAL DEPOSIT R5 170.00

(The November deposit will be credited to the fee account in lieu of the last month's payment)

- School fees are payable in advance and are due on the first day of every month.
- A monthly fee is charged over 11 months.
- A discount equal to one month's fee will be granted if the fees are paid in full by the 31st of January.
- If an account is 60 days or more in arrears - which includes all fees incurred in Freeway Park Primary School (Grade R - Grade 7), the parent/guardian will be notified by the School Governing Body through the Principal and the Admission's Clerk to make alternative arrangements for the Grade R learner's care. The learner will be **suspended** from attending Grade R until all arrears have been brought up to date.
- If the parent/guardian defaults from payment **more than twice** in the current year, the School Governing Body reserves the right to terminate the learner's attendance at Grade R.

GDE Vision: Every learner feels valued and inspired in our innovative education system

- Payments made only for *Grade R* and not for other fees incurred in the School will not automatically allow the learner to attend the *Grade R* facility as payments received will offset the arrears first.
- In terms of family law, both parents are jointly and severally liable for the payment of all fees irrespective of their marital status.
- The school may hold and process by computer, or otherwise, any information obtained about the parents as a result of their liability for school fees.
- The parents/guardian of the learner will be liable for all costs, including legal fees, tracing fees and collection costs which may be incurred by the school in its recovery of any outstanding amount due.
- This policy is revised annually by the School Governing Body and may be subject to change.
